

Civil Engineer (5+ years experience)

Looking for a tree-change or willing to relocate?

Excellent opportunity for career growth and development

Work on landmark projects with an award winning consultancy!

We are currently looking for an experienced **Civil Engineer** to join our growing team in our Bendigo office working on a number of large-scale projects across Bendigo and Central Victoria; including the New Bendigo Hospital, Bendigo Soldiers Memorial Institute Revitalisation Project, Shepparton Hospital Redevelopment and Shepparton High School Redevelopment.

Job Description

Under the direction of an Associate and with support from our Melbourne-based Civil team, you will liaise directly with clients, architects and builders, provide detailed design and analysis of major projects, and attend key site inspections and meetings. You will assist in the coordination of documentation and ensure that client requirements are met within the specified budget and time-frame.

To be considered for the position we require you have the following:

- Bachelor or Master's Degree in Civil Engineering
- Minimum of 5 years of Civil Design experience (excluding student employment) on medium to large scale building projects
- Proficient in 12D and/or Civil 3D
- Water Authority Accreditation is favourable
- Strong knowledge of Australian Codes and Standards
- Excellent knowledge of the Australian engineering market
- Ability to work collaboratively with both engineers and draftspeople across all disciplines
- Excellent communication and interpersonal skills
- Career motivated
- Land development experience would be beneficial, but not essential.

What we offer:

- Career growth with excellent training opportunities.
- A range of employee benefits; including paid overtime, additional leave and corporate wellness program
- Flexible working arrangements

If you can see your future in the beautiful city of Bendigo, in a role where you are encouraged to explore your potential and stretch your engineering capabilities in the building industry, we invite you to apply.

Please send your CV and a covering letter to hr@irwinconsult.com.au

Please note that only those eligible to work in Australia should apply. Irwinconsult is an EEO employer.
