

### Electrical Drafter - Revit (2+ years experience)

---

Leading Engineering Consultancy

Work on prestigious, award winning projects

Enjoy coming to work each day!

An opportunity has arisen in our Darwin office for an experienced Electrical Drafter to work on a variety of challenging projects, primarily in commercial, residential and industrial buildings. The position will initially be part time (3 days/wk) with a view permanency within 6 months.

#### **Duties:**

- Electrical drafting using **Revit**
- Coordinate and assist teams in the documentation of projects
- Liaise with Engineers, clients and other stakeholders

#### **Skills & Experience Required:**

- Highly proficient in Revit and other related software
- Good level of technical knowledge
- Minimum of 2 years drafting experience with an Engineering consultancy
- Proven experience in a diverse range of projects would be preferred
- An eye for detail and ability to produce quality drawings
- Excellent communication with ability to work well with Engineers & other drafting staff

Successful applicants will be offered an attractive salary package, hands on mentoring and a commitment to ongoing career development. We are located in the CBD in Darwin, with a friendly and relaxed environment. You will also enjoy our employee benefits, including an active company Wellbeing program.

This is an opportunity not to be missed. If you think you have what we need & are looking to further your career in drafting, apply now.
