

Senior Façade Consultant (10+ years experience)

Leading Engineering Consultancy

Work on prestigious, award winning projects

Enjoy coming to work each day!

We are seeking a highly experienced Façade Consultant to join our growing Façade discipline in our Melbourne office, working on a diverse range of exciting and challenging landmark projects.

This is an excellent opportunity for a person who is looking to achieve leadership of a talented, energetic and enthusiastic team. The successful applicant will report directly to the Discipline Leader, who has extensive experience in façade consultancy and will provide invaluable training and mentoring.

About the role:

This role involves undertaking project focused involvement from concept stage through design development and tender documentation to construction stage, review and site inspections. The role encompasses interrelationships with the developer, Architect and all of the client's consultancy team.

To be considered for this role you will require the following:

- Bachelor or Master's Degree in Architecture or Engineering
- 10+ years' façade systems, design & project management experience, including working with Architects to achieve the design intent
- Strong technical background & product knowledge
- Excellent interpersonal and communication skills
- The ability to work independently, as well as part of a team
- Exceptional time-management and organisational skills
- Proven track-record of undertaking all aspects of façade consulting and design, review of fabrication details, fabrication inspections, site inspections, attendance and reporting of prototype testing
- The ability to develop and maintain a client base
- The drive and ambition to further develop your career and assist in further developing the business

What we offer:

- Career growth with excellent training and professional development opportunities
- Employee benefits including flexible working arrangements, performance bonuses, corporate wellness program & active social club
- Relaxed and friendly office culture

If you think you have what it takes, and you would like to be an integral part of our team please send your covering letter and curriculum vitae to: hr@irwinconsult.com.au

Please note that only those eligible to work in Australia should apply. Irwinconsult is an EEO employer.
